Dear Members of the Board:

Thank you for granting me the Class II internet license at 107 Great Road #3. Unfortunately the existing tenant has filed bankruptcy. Although when the license is signed I will start and file all the necessary corporate documents to have this my permanent office.

In the meantime I will remain at 99 Great Road in my current office with a Class I internet license. The Registry of Motor Vehicles has informed me that they want this license changed to a Class II License. (enclosed please find a copy of the license).

Thank you in advance for your consideration in regards to this request.

Sincerely,

Leo Bertolami, President
